## What's Going On!

For four years staff from Lobley Hill have visited Zhongjiacun Primary School in Wuhan, China. In total eight teachers have experienced schools in China. We learnt last week that some of the staff from the school are to visit our school in April.

Here are the children in their school uniform.

Their school building is very different from ours.

There are 3,500 children in this school and 400 children sleep there overnight, from Monday to Friday.

They can also stay for school lunch!

See more photos of life in a Chinese school on our website!
