Lobley Hill

Headteacher: Mr A Tricoglu

This week is 'Walk to School Week' when all children are encouraged to walk at least part of their journey to and from school. Since the last time we celebrated this special week the cycle shelter has been built and many more children are using a healthier way of coming to school. The children will be asked on a daily basis how they travelled to school and all this information will be collected by Gateshead Council. A certificate will be awarded to all children coming to school taking part in this activity.

On Tuesday the Year 1 Gymnastics Club will be going to Dunston Activity Centre to take part in a display. Over the last two terms the children have worked very hard to improve their skills, while having a great deal of fun. All parents and carers are welcome to attend the display which begins at 9.30 and finishes at approximately 11.30am.

Please bring your blue bags for Bags2School

in on

TUESDAY 18 MAY

Thank you for your continuing support.

Achievements at Lobley Hill

Best Attendance Award

and

Most Improved Attendance Award

for week ending Friday 7 May

go to

Miss Meredith's Class

FANTASTIC!

Lunchtime Stars

Our Playleaders voted for children who have made lunchtimes special over the last week

- Key Stage 1 Stars are Grace Ninis and Jack Todhunter.
- Key Stage 2 Stars are James Bishop and Georgia Brown.

Play Squad

The play squad on duty this week did a fantastic job. A special mention goes to

Renee Simmons, Taminder Grewal and Molly Reynolds.

Healthy Eater Awards

go to

Joe Wright and Thomas Blench

What's Going On Keeping Healthy

At Lobley Hill Primary School we encourage all children to adopt healthy life styles and make sensible choices.

As well as the weekly PE sessions children have the opportunity to take part in activities such as gymnastics, football, aerobic exercise and tennis as coaches are invited into school to lead these sessions.

Next half term a new dinner menu will be launched providing a range of healthy, nourishing food.

Recently more parents have joined the Key Stage 2 children when they take their 'morning exercise'. To add to all of these we have been offered the services of a Health Trainer.

This scheme is supported by Gateshead Council and the NHS Health Trainer Programme. Mr Michael Kelly is Lobley Hill's Health Trainer and he will be introducing himself at the next Home School Partnership meeting on Thursday 27 May. He will work with all parents/carers and be able to offer advice and support in devising a programme after a mini MOT. Come along and find out more details

about this fantastic scheme.

If you are unable to attend the meeting on 27 May at 2pm and would like further details contact Sue Shafto.
