Lobley Hill

Headteacher: Mr A Tricoglus

This year to celebrate Healthy Week we are holding several events. As usual we will be having 'Sports' Day on the Tuesday (20 July). During the activities on this day the Home School Partnership will be serving fresh fruit salad as part of the MacMillan Strawberry Tea Appeal.

This event is being sponsored by Redbridge, Fruit and Vegetable wholesalers on the Team Valley and all donations will go to the MacMillan nurses.

Over the past few years we have chosen to support a children's charity during this week by holding a sponsored event to raise funds. As asthma is a growing problem and many children in school suffer from this we would like to support, with your help, the charity, KICK ASTHMA. All children in school will be involved in jointly running the length of a marathon. This event will take place as part of Sports' day activities.

Every 19 Minutes a child is admitted to hospital in the UK because of their asthma. You can change this!

What's Going On!

Last week there were many classes out of school on educational visits. Years 3 and 4 visited Nenthead and the leadmines, Year 2 investigated the rock pools near St Mary's Island and Reception classes visited the farm. Year 6 completed work about the 1930s at Gateshead's City Learning Centre.

Year 5 visited Kingsmeadow School for 'A Taste of Spain' and had a fantastic time. As part of the activities they all made hats and decorated T-shirts...
